I find this DLC to have the overall highest difficulty scaling of all the DLCs but that does not mean it isn't fun.. I can't get enough of Sanctum 2, its a great game Nice maps and good story addition.. And finally, there will be seven new unlockable perks, including the Thor Module, that causes towers to emit shockwaves whenever they kill an enemy.. (Sanctum 2 - Ruins of Brightholme)The second of the Sanctum 2 DLCs, this one is waaaaaay less useful in terms of whole-game content, mostly including silly stuff like the Makeshift Cannon and Circle Saw - yes, it's the first melee weapon, but going into melee against Lames is as potentially fatal as you might expect it to be!.. it's also way, way better in terms of maps and new enemies, though, and comes in very recommended.. This expansion adds four new maps that will once again brutally challenge your maze building abilities! Play with the new unlockable towers such as the crazy random Makeshift tower, or saw your foes up into pieces with the very first melee weapon in Sanctum 2 - the Circle Saw! Of course you'll see new enemies as well, such as the Infected Explorer, a hybrid between a human and a Walker..
